

## ZF LIFETEC Global Supplier Quality Directive (QD83)

### Acknowledgement and Acceptance Letter

---

This Acceptance Letter ("**Agreement**") refers to the ZF Global Supplier Quality Directive<sup>1</sup>, Edition 2018 ("**QD83**"), see [www.zf-lifetec.com>Supplier Board > Quality](http://www.zf-lifetec.com>Supplier Board > Quality), including the following associated documents, all of them being accessible under the aforementioned link:

- **QD83 Directive** (Edition 2018)
- **Addendum to QD83** – Additional Requirements for **Suppliers of Electronic Components and Software** (replaces the original section 5 of QD83-2018) - if applicable <sup>2</sup>
- QD83-2018 **Sanctioned Interpretations**
- QD83-2018 **Work- and Communication Forms**

This Agreement shall be applicable to the signatory entity and its direct or indirect subsidiaries, in which the signatory entity holds a share of at least 50% ("**Supplier**" or "**we**"/"**us**"/"**our**") as well as to ZF Airbag GmbH and to any directly or indirectly affiliated company of ZF Airbag GmbH according to §§ 15 German Stock Law where ZF Airbag GmbH holds at least a share of 50%, (individually or collectively referred to as : "**ZF LIFETEC**").

#### 1. QD83 Acceptance

- We confirm **receipt** of QD83, including all associated documents listed above, we **accept** their application for all kind of business with ZF LIFETEC, and we will **fully adhere** to them. We acknowledge and accept that ZF LIFETEC will regularly update the Sanctioned Interpretations and the Work- and Communications Forms, which shall not be subject to our explicit approval.

#### 2. QD83 Acknowledgement

- We confirm that our Quality Managers and all other quality responsible functions were informed about this Agreement and the quality requirements of QD83, which we shall comply with.

---

<sup>1</sup> In case of translations: Only the **English version of the QD83 is binding** and will prevail in case of any discrepancies. Any translations shall only be regarded as courtesy translations.

<sup>2</sup> The scope of the Revised QD83 Section 5 is limited to Electronic Components and Software (as defined in the new Section 5, "**Scope**") – the Revised QD83 Section 5 shall not be applicable as far as the Goods (as defined in the PO) do not fall into the Scope.
